

Product:**Capto™ Q****Code Number:**

17531604

Lot No: 10325900

Test/Characteristic:	Limit:	Result:
Ionic capacity mmol Cl ⁻ / mL resin	0.16 - 0.22	0.19
Breakthrough capacity, Q_{B,10%} mg BSA / mL resin	min. 100	134
Microbial contamination Colony Forming Units / mL suspension	max. 20	0
Endotoxin activity EU/mL	less than 5.0	<0.25

Manufactured in compliance with our ISO 9001 certified quality management system.**No animal derived material is used in raw materials or in the manufacture of this product.****Approval Date (Year-Month-Day):** 2022-05-24**Expiry Date (Year-Month):** 2027-04**Manufacturing Date (Year-Month):** 2022-04
